

## **Risk Register and Business Continuity Plan**

### **Purpose**

1. This report presents the Board with an opportunity to discuss and update the Risk Register in light of the Covid-19 emergency.

### **Key issues**

2. The Risk Register is usually reviewed by the General Purposes Group at their bi-monthly meetings and presented to the Board twice a year.
3. In light of the Covid-19 emergency the Risk Register was reviewed at the April Board development session.
4. The Board requested that the register be further reviewed and considered at this meeting, together with the Business Continuity Plan for Phase 2 of the emergency. Both documents are attached.

### **Action required by the Board**

5. The Board is asked to:
  - Note the Risk Register and
  - Approve the Business Continuity Plan Phase 2.
