

Invitation to Healthwatch event

We are Healthwatch in Cambridgeshire and Peterborough

We help you to have your say about NHS and social care services

The NHS helps you look after your health. Like seeing your doctor or going to hospital.

Social care is support to help you live independently. Like a carer to help you.

We want you to come to our meeting. Our meeting is called "Championing Access".

On Thursday 7 July 2022

From 10am to 3pm

At
Kingsgate Centre,
2 Staplee Way,
Parnwell
Peterborough, PE1 4YT

At the meeting

- You will hear about some people's experiences of using health and social care services

- And how it is hard for some people to get the health and social care they need

- You can find out what NHS and social care services want to do to make things better

- You can tell them what is good or bad about your care

At the event

- Let us know if you need information in a different way.

- We will give you a free lunch and drinks

Please book your place
